A Rare Opportunity on Bike Blvd Offered for the first time in nearly 40 years, located on the popular Bike Boulevard in the heart of London Road — one of the city's most walkable and bike-friendly neighborhoods. The home is full of character and potential, with a layout that works well for first-time buyers, or investors. The basement suite offers great flexibility and appears to be relatively easy to legalize — making it a smart option for extra income or multi-generational living. This is a property that stands out for all the right reasons. The best word to describe it? Extraordinary.
