The sellers have wonderfully refreshed the home in the past 2 years including interior paint, vinyl plank flooring, ensuite renovation, lighting, A/C unit, and more. Go on up to a protected and charming veranda. Once inside the abundance of natural light, open plan, and towering ceilings create an bright and airy environment. A generous main floor laundry room, with handy pull-down-laundry-wall-rack, emphasizes main level living. Step out onto your elevated deck off the dining area that looks out onto a fabulous back yard and check out how the blueberry, saskatoon, and raspberry bushes are doing. There is a definite sense of space behind you too with the 91 foot wide rear yard, paved back lane and school greenspace. Provide lots of room for your guests in the fully finished lower level offering 2 additional bedrooms, big family room, full bath, and a walk out patio. But the sweet bonus item here is the detached shop/garage with RV parking alongside it. L-shaped with the parking side measuring 24 x 16.5', the workshop measuring 11 X 12.5', and ceiling height of 10'8" you can finally start those projects and hobbies you've been dying to do.
