Welcome to your next chapter in the heart of Uplands - one of north Lethbridge's most established and sought-after neighborhoods. This 4-bedroom, 3-bathroom home offers over 1,200 square feet of thoughtfully designed living space, fully finished from top to bottom and maintained with the utmost care. Step inside to a bright and airy main floor where the living room, kitchen, and dining areas flow seamlessly under vaulted ceilings and an abundance of natural light. The layout creates a sense of openness without sacrificing warmth or functionality. A conveniently located bedroom and full bathroom on this level offer flexibility for guests or the ideal work-from-home setup. Upstairs, you'll find a full bathroom, a comfortable bedroom, and a generous primary retreat - private, quiet, and tucked away just enough to feel like your own personal escape. The lower level is made for living. A spacious recreation room centers around a striking feature fireplace, perfect for cozy evenings or entertaining. Another full bathroom, a fourth bedroom, and a dedicated laundry space complete this level. Outside, enjoy your private backyard oasis featuring a wind-sheltered deck, hot tub, and maintenance-free fencing - all set within a beautifully landscaped yard. A double attached garage adds everyday practicality with additional storage and shelter from the elements. If you're looking for a move-in-ready home that strikes the perfect balance between comfort, style, and functionality, this is one you need to see in person.
