A unique 4 level split in the heart of Varsity Village - backing onto a walking path that leads to a park, one block from Nicholas Sheran and the spacious corner lot makes this a really special home. The main floor is focused on hosting - a bright living room with separation from the front entry, an eat-in kitchen with lots of space for the family to enjoy family meals and opens onto the covered deck! Heading upstairs there are 3 bedrooms that share a 4 piece bathroom (including jetted tub!). The lower level hosts a large family room with wood-burning fireplace and an option to add another bedroom and full laundry room. The basement has a recently renovated 3 piece bathroom, tons of cold storage and a flex room that works well as an office, movie room or games room! The backyard is a private oasis with an extended patio, pergola, water feature, storage shed and there's still a side yard to enjoy!
