Another beautiful home built by Custom Quality Build Ltd.! This one is a 1569 square foot on main raised bungalow with a forced walk-out basement. Main floor features open plan with vaulted ceilings and vinyl plank floors in main living areas. Kitchen has large island with quartz counters and a walk-in pantry. Sliding glass doors to deck out back from dining room. Living room is a good size and is at rear of home to catch all the light that comes in from the south facing backyard. There are 2 bedrooms on the main floor including primary bedroom with walk-in closet and 4 piece ensuite that features double sinks and a walk-in shower. There is also another full bathroom with tub/shower combo on the main. Laundry room is also on main with entrance to garage. Basement is fully developed with family room that includes a wet bar and space for a full size fridge. There are 3 bedrooms in the basement and full bathroom with tub/shower combo, that also has a laundry area. Walk-out to covered patio below with steps up to the backyard. Home has conveniences of central a/c and tankless hot water. Home has architecturally controlled chain link developer back fence that indicates at some point, it will likely be future green space. Completion estimated October 2025.
