RECENTLY FULLY PAINTED!! A tremendous family home that is ideal for large or intergenerational families! With a total of over 4,790 sq/ft spanning 3 floors, this 2 storey is also situated on over half an acre! Plentiful parking greets you as you drive into your new home with a permanent basketball hoop located on your driveway. The front entrance is grand and welcoming, offering views to multiple living spaces, the main floor office/bedroom and even a peek into your south-facing view! The kitchen offers granite counters, a walk-in pantry, dual ovens, custom hood fan and enough storage for all your kitchen gadgets! The mudroom off of the triple garage offers custom lockers for storage solutions and 2 half bathrooms round out the main floor! Heading upstairs, be prepared to be wowed! With 7 bedrooms up, along with three full bathrooms plus a laundry room, there's well sized bedrooms for all your kids and guests. The plans for this home also offer a different option of opening up a few of the bedrooms to create a large family room on the second floor. The primary retreat has a 5 piece ensuite and walk-in closet. The basement is a great place to have friends over - a huge recreation room with wet bar, theatre room, 2 more bedrooms, 4 piece bathroom and walk-up basement giving easy access to the HUGE yard! There's a garden, 2 covered decks, a pool, coulee views and all the space and privacy you've been looking for. Your major amenities are only a few minutes away, as is the Lethbridge Airport and only about 45 minutes to the USA border!
