So much to offer at an affordable price! It begins with a fantastic setting on a low traffic street and huge cul-de-sac near all levels of schooling, 2 arenas, swimming pool, park spaces, shopping, and restaurants. Offering over 2000 sq. ft. of developed living space, 3 main floor bedrooms, 2 full baths, and an illegal suite in the basement, the options of use are yours to chose. The hardwood and vinyl plank flooring are in very good condition although the carpets and linoleum are ready for a change. Add some paint and effort to easily increase the value and make the home yours. The low maintenance exterior is enhanced by vinyl and stucco siding, PVC windows and newer torch-on roofing (2021) for both the home and garage.
