Welcome to Copperwood! This spacious 2-storey family home offers 3 bedrooms and 2.5 bathrooms—perfectly designed for comfort, convenience, and room to grow. Situated at the end of a quiet cul-de-sac close to the new high school and elementary school, this property boasts a rare oversized lot (nearly 90’ across at the back) with mature trees and a large concrete patio—ideal for kids, pets, and outdoor living. Inside, you’ll find a bright, open main floor with large windows and soaring ceilings. The kitchen features dark cabinetry, granite countertops, and stainless appliances, flowing seamlessly into the living and dining areas. Upstairs, a large bonus room over the garage provides the perfect space for family movie nights or a home office. The basement is partially developed, offering plenty of opportunity to customize to your needs. Additional highlights include: Oversized 24’ x 26’ garage. Easy access to schools, parks, and Whoop-Up Drive for quick trips downtown. This 2008 home is move-in ready with possession available in 30 days (negotiable). Don’t miss this rare chance to own a Copperwood property with both space and style.
