Nice, affordable one bedroom home on a quiet street. Move in ready and cute as a button. Tidy bungalow with no steps to enter. For a lower monthly cost than a similar sized condo you can have a nice fenced yard with more convenient parking. Downstairs is a dry, tidy concrete basement with laundry area, storage and a small room currently being used a den. Laminate flooring on the main floor and an updated kitchen also. This would make a great first time home!
