Welcome to 2231 19 St S, a comfortable 1.5 storey home built in 1969 on a quarter acre lot with plenty of outdoor space, apple trees, and a small fish pond. This well-cared-for, one-owner home is conveniently located in the southside, just minutes from Sugar Bowl, the Chinook public park area, Chinook Regional Hospital, and Scenic Heights Park. The main floor features a bright living room with a gas fireplace, a dining area connected to the living room, a practical kitchen, and a second family room that opens to the heated sunroom, providing usable space year round. The primary bedroom with a half ensuite and a convenient main floor laundry complete the main level. Upstairs, you'll find three more bedrooms and a four piece bathroom, while the basement adds even more space with two additional bedrooms, another four piece bath, and a spacious storage and utility area. Outside, the large lot offers plenty of room to garden, relax, or store tools in the shed, making it ideal for everyday living and outdoor projects. For a closer look, please view the video walkthrough in the links tab or on YouTube by searching the home address.
