A modern condo with excellent street appeal and the convenience of a single attached garage. As you enter the main living space, you'll appreciate the bright, open feel created by 9-foot ceilings, stylish grey cabinetry, a corner pantry, and beautiful white quartz countertops. Upstairs features a dual-primary layout — two spacious bedrooms, each with its own huge walk-in closet and private bathroom. They're smartly separated by the laundry room, which overlooks the open-concept staircase for an airy feel. Looking for an investment? Or hoping to offset your mortgage while you live upstairs? The walkout basement includes a studio illegal-suite with its own entrance. The current tenant pays \$1,000/month and is in place until the end of May (must be accepted by the buyer). The suite offers a 5-ft tiled shower with glass door, vanity, and a compact kitchenette at the rear. The backyard features a private deck with an aluminum spindle railing and a privacy screen—perfect for relaxing outdoors. Condo fees include common-area maintenance, insurance, snow removal, and reserve fund contributions. Located in a fantastic area with quick access to Whoop-Up Drive and just steps from restaurants, bars, coffee shops, grocery stores, and everyday amenities in The Crossing.
