Perfect for a growing family, this updated 4-level split in the Northside Staffordville neighborhood is a place where everyday life just works. With 1,855 sq.ft. of fully finished living space, including 4 bedrooms and 2 bathrooms, there's room for kids to grow, space to spread out, and smart separation for busy family schedules. Two living rooms make all the difference with a welcoming main space for family time and a lower-level hangout that's ideal for movie nights, play space, or a quiet retreat once the kids are in bed. The split-level layout offers thoughtful bedroom separation, giving parents and kids their own zones while still feeling connected. At the heart of the home, the updated kitchen blends function and style with a warm, moody color palette that feels both modern and cozy which makes it feel perfect for school-morning chaos, family dinners, and weekend baking sessions. Step outside to a large, green backyard designed for entertaining, summer BBQs, and safe space for kids to run and play in this quiet cul-de-sac. Located minutes from the Coulees, this home gives your family easy access to walking and biking paths that lead straight to Softball Valley and the river which is ideal for after school adventures and active weekends. With 12 schools, parks, transit, shops, pubs, and quick access to main commuting routes nearby, this is a home that supports family life now and for years to come.
