"Better Than New" 3-bedroom Avonlea model The Kohen, featuring a spacious bonus room that could easily be converted into a fourth bedroom. This well-designed home welcomes you with a generous front entry and large closet to keep everyday clutter at bay. Grocery runs are a breeze thanks to the attached double garage with direct access to the butler's pantry. Recent model enhancements include a convenient mudroom off the garage and a walk-through pantry. The main floor offers a practical 2-piece powder room and an open, light-filled living space. The kitchen is beautifully appointed with a central island topped with quartz countertops, a large walk-through pantry, stainless steel appliances, a built-in microwave, and dishwasher. The adjacent dining nook sits in front of large patio doors that open onto a spacious, sheltered rear deck—perfect for entertaining. Oversized windows throughout allow natural light to flood the home. Upstairs, the primary bedroom and one additional bedroom both feature walk-in closets, and the convenience of second-floor laundry adds to the home's thoughtful layout. The Kohen is an ideal family home, with a basement ready for future development to include a family room, fourth bedroom, and full bathroom. When compared to new, the added value here is undeniable—front yard landscaping, a fully fenced and landscaped backyard, washer and dryer, and central air conditioning are all included.
