Who doesn't want a well-maintained home with features that actually stand out?! Well, this one delivers. This fully developed two-storey home offers a double attached garage, three living spaces, three bedrooms, and three and a half bathrooms — plus the bonus of main floor laundry and thoughtful details throughout. The kitchen is truly the heart of the home and a standout feature, with a double side-by-side fridge/freezer combo, gas cooktop, built-in oven and microwave, stainless steel hood fan, quartz countertops, and a wonderful island that's perfect for everyday living or entertaining. The living room feels warm and inviting with a gas fireplace and stone surround, while windows spanning the back of the home flood the space with natural light. Downstairs, you'll find a fully developed basement that has been left open, making it easy to adapt to your needs! Whether that's a large family room, gym, playroom, office, or even adding another bedroom. The space currently functions as an additional comfortable living area and is finished with a stylish barn door leading to a beautiful bathroom. The double garage includes built-in shelving for extra storage, and outside, the partially enclosed deck extends your living space, offering both privacy and shelter... a great spot to enjoy the yard a little longer each season. Located in the beautiful, family-friendly community of Country Meadows, this area is known for being "10 minutes from anywhere" and is close to shopping, schools, and walking paths. If you're looking for a home that's been well cared for and offers those special touches that make it feel different, this might be the one. Reach out to your favorite Realtor to book a showing.
