Welcome to this beautiful 2,027 sq. ft. 2 storey home in the highly sought-after community of Copperwood. Thoughtfully designed and fully developed, this home offers the perfect blend of comfort, functionality, and modern style for today's family living. The inviting main level features a bright and spacious living room with a cozy gas fireplace and a large window that fills the space with natural light. The stunning kitchen is sure to impress, showcasing quartz countertops, a large island, a 6-burner gas cook-top, built-in wall oven and microwave, and a Fisher & Paykel 5' fridge/freezer combination. A convenient walk-through pantry adds both style and practicality. This level also includes a private office, a half bath, and a mudroom leading to the attached double garage, which is plumbed for heat. Upstairs, you'll find a comfortable family room, three bedrooms, and a well-appointed 4-piece bathroom. The spacious primary suite offers a walk-in closet and a luxurious 5-piece ensuite featuring a jetted tub, separate shower, and dual sinks. Laundry facilities are conveniently located on the upper level for added ease. Basement is fully developed boasting a cozy rec room with electric fireplace, 2 large bedrooms, and 4 piece bath. Additional features include central air conditioning, a water softener, reverse osmosis water filtration system, and more. Situated on a desirable corner lot, the fully fenced and landscaped yard boasts raised flower beds, a dog run, a good-sized deck for entertaining, and front underground sprinklers. This exceptional Copperwood home truly has it all — space, upgrades, and a fantastic location. Don't miss your opportunity to make it yours!
