Fantastic location for this 4-bedroom home just steps from Costco and many other amenities. Situated on a quiet crescent, this well-designed family home offers a bright and open floor plan as you enter, featuring a spacious kitchen, living room, and dining area. The upper level includes two bedrooms, including the primary bedroom with a walk-in closet and private ensuite, as well as an additional 4-piece bathroom. The third level, located just down from the kitchen and dining area, features a comfortable family room with a fireplace, along with a boot room/laundry room that provides access to the backyard and an additional 3-piece bathroom. The fourth level provides another bedroom and a third living space, offering plenty of room for family living. Outside, you will find a patio area, double garage, and hot tub, perfect for relaxing or entertaining. If you are looking for a comfortable family home in a great location, this could be the one for you.
