Get ready to fall in love with this Warner gem—packed with charm, space, and endless potential! This 3-bedroom, 1.5-bathroom home is bursting with features that make it perfect for young families or first-time home buyers looking to put down roots. Step inside to find beautiful fir hardwood floors, a certified wood-burning stove and a massive full bathroom you’ll absolutely appreciate. The spacious primary bedroom and built-in shelving and storage throughout helps keep everything organized and functional. Downstairs offers incredible versatility with a large family room and a convenient kitchenette with vinyl plank flooring throughout the basement. The roof was just replaced in 2025, there are newer windows and a brand new hot water tank so you can take comfort in knowing some of the big things are already taken care of. Outside is where this property truly shines—situated on a back alley with a huge fenced backyard, you’ll have all the space you need for kids, pets, and entertaining, plus a single detached garage, carport, loads of off-street parking, and not one, not two, but THREE sheds for all your storage needs! This home truly has it all and then some—don’t miss your chance to make it yours, call your REALTOR® and book your showing today!
