Here's a fantastic revenue property with options. Live upstairs and rent the basement, rent both units, or keep the whole place for yourself! The main floor offers 3 bedrooms and 1 bathroom, a bright living area, and a well kept kitchen complete with fridge, stove, and dishwasher. The legal basement suite has its own private entrance from the backyard and features a comfortable 1 bedroom + den/office, a full bathroom, and plenty of living space you wouldn't expect. The shared laundry is conveniently located just outside the suite door. The backyard is spacious, private, and surrounded by mature trees, which is great for tenants, pets, or a quiet evening outside. Or possibly a future detached garage.
