Welcome to the Lannark floor plan by Stranville Living Master Builder – a thoughtfully designed home that blends functionality with modern, high-end finishes. The main floor features a bright, open-concept layout centered around a spacious U-shaped kitchen that truly stands out. With an abundance of counter space and a walk-in pantry, this kitchen is built for both everyday living and entertaining. It showcases Stranville’s signature panelled appliances, including a Fisher & Paykel fridge that seamlessly blends into the cabinetry, along with a matching panelled dishwasher for a clean, cohesive look. You’ll also find an induction cooktop and a built-in oven and microwave combo, giving you both style and performance. The peninsula offers generous bar seating, making it a natural gathering space. Just off the kitchen, the dining area features sliding glass doors that lead to your future deck and backyard – perfect for indoor-outdoor living. The adjacent living room is bright and inviting, highlighted by a large picture window that fills the space with natural light. Upstairs, you’ll find a well-laid-out second level featuring a versatile bonus room, two additional bedrooms, and a full 4-piece bathroom. The primary bedroom is a comfortable retreat, complete with a walk-in closet and a private ensuite featuring a walk-in shower. This is a home that checks all the boxes – modern design, smart layout, and the quality you expect from Stranville Living. GST is included in the price as well as a 10 year new home warranty.
