If you have been searching for a home with space, functionality, and a convenient westside location, 113 Cayuga Crescent W is one to see. Offering 5 bedrooms and 2 full bathrooms, this property provides plenty of room for a growing family or those needing extra space for an office or guests. The main floor features 972.62 sq ft with a bright and welcoming layout, while the basement adds an additional 885.41 sq ft of developed space, giving you a total of 1,858 sq ft to enjoy. The home has been well maintained over the years, including a new roof in 2018 and extensive painting updates that give it a clean, move-in ready feel. A separate side entry provides convenient access to the backyard, adding flexibility and functionality to the home. You will also appreciate the good amount of off-street parking. Located close to amenities, schools including the University of Lethbridge, transit, parks, and walking paths, this is a location that makes everyday living easy. This property checks off a lot of boxes and offers a great opportunity to get into a well-established westside neighborhood.
