Additional features on the the home include vaulted ceilings, ceiling fans, Levolor blinds, and central vacuum with attachments, a/c. Outside, the property continues to impress with a composite deck, underground sprinklers in both the front and back yard, low-voltage lighting within the landscaping and trees, a shed for additional storage, and an interlock sidewalk that wraps along the side and rear of the home. The oversized double attached garage (23x25) is drywalled, offering plenty of space for parking and storage.
