A large window lets plenty of light into this very presentable studio unit. Bright, clean, affordable, and with utilities all in! Included is a 8'x6' storage closet in the unit (not included in the RMS square footage). There are 2 washers and dryers (shared use, and non-coin operated) only steps away from your door. A great benefit to this unit is that heat, electricity, garbage, water, and snow removal are included within the condo fees, making predictable expenses easy to budget for. Take advantage of easy, affordable living with this super nice studio unit!
