Well maintained 4-Level Side Split Home in Uplands tucked away on a cul-de-sac on a large 47x135 lot with strong stucco exterior. Main floor features vaulted ceilings and engineered hardwood floors. Large south facing windows in living room let in plenty of natural light. Dining room is a good size. Kitchen features granite counters, beautiful wood cabinets, and stainless steel appliances. There is also a door to the deck out back. Upper level houses 2 bedrooms including primary with 3 piece ensuite and walk-in closet. There is also another full bathroom with jetted tub/shower combo on this level. Lower level has large family room, another bathroom with shower, and a 3rd bedroom. Basement is fully finished with a recreation/games room, a 4th bedroom, a 2 piece bathroom, and a utility room with laundry. Backyard is fenced, has a deck, a poured concrete patio(that continues down that side of the house), landscaping with trees, and underground sprinklers. Move in and enjoy!
