Visit REALTOR® website for additional information. Located right across from a park and within walking distance of West Coulee Station Elementary School, this 2021-built family home combines modern design, functional living space, and an unbeatable location. Step inside to a bright and inviting open-concept floor plan featuring 9-foot ceilings that create a spacious and welcoming atmosphere throughout the main living area. The well-appointed kitchen features quartz countertops, a large island with seating, a walk-in pantry, electric cooktop, and a built-in microwave, providing both style and functionality. Large stairway windows fill the home with natural light, enhancing the warm and inviting feel of the space. Upstairs, a versatile bonus room offers additional living space ideal for a media room, playroom, home office, or quiet retreat. The upper level also includes two bedrooms, a spacious primary suite with a double-sink ensuite and walk-in closet, and convenient laundry hookups. Additional laundry hookups are also available in the basement. The unfinished basement provides endless opportunities to customize the space to fit your family's needs, whether you're looking for additional bedrooms, a recreation room, home gym, or extra storage. Relaxing on warm summer evenings. The double attached garage features 9-foot ceilings, offering excellent storage potential and ample room for vehicles, tools, and outdoor equipment. This home offers the perfect balance of modern comfort, thoughtful design, and family-friendly living in a growing community.
