With 908 sq. ft. of above grade living space, this move-in-ready home features 3 bedrooms, with potential for a large 4th, 1 bathroom, with and an impressive list of recent improvements. Major upgrades completed in 2024 include updated electrical wiring and panel, upgraded plumbing, a new on-demand hot water system, and a beautifully refreshed bathroom with a new shower surround, toilets, and sink. Enjoy summer comfort with central air conditioning, while the roof still has plenty of life remaining at approximately 8 years old. Most windows have been replaced, improving efficiency and curb appeal. Outside, you’ll find a private, mature backyard, refinished rear concrete steps, an updated retaining wall, and a single detached garage with convenient rear lane access. The location is hard to beat - just minutes from the coulees, the Lethbridge Country Club, parks, schools, shopping, and everyday amenities.
