Welcome to this bi-level condo in a quiet four-plex, offering a functional layout and comfortable living. Built in 1977, this two-bedroom home is thoughtfully designed with both bedrooms located on the lower level, along with a full 4-piece bathroom, creating a private sleeping area separate from the main living space. The upper level features a bright and spacious living room, a dedicated dining area, and a practical kitchen. The main floor also offers a 2 piece bathroom and Laundry. The bi-level design provides a unique sense of separation between living and sleeping spaces, making it ideal for first-time buyers, downsizers, students, or investors. This condo offers low-maintenance living with easy access to nearby amenities, shopping, schools, and parks. A great opportunity to own an affordable home in a desirable location.
