Everyone dreams of owning a walkout bungalow backing onto the pond—and this one delivers. Nestled in one of Copperwood's most sought-after locations, this impeccably maintained 1,400 sq. ft. walkout bungalow offers breathtaking views of Firelight Pond, direct access to walking paths, exceptional outdoor living, and a thoughtfully designed floor plan. The bright, open main floor is filled with natural light and features a beautiful kitchen with warm maple cabinetry, abundant counter space, a corner pantry, skylight, and extensive custom storage, including pull-out shelving, pull-out spice and garbage drawers, a built-in spice rack, and dividers for baking sheets and trays. The living and dining areas overlook the pond, creating a peaceful backdrop, while the built-in credenza makes an ideal buffet, coffee station, or bar area. The rear primary suite is a private retreat with stunning pond views and a spacious ensuite featuring double sinks, a custom glass shower, maple shelving, and a unique walk-through design connecting the walk-in closet directly to the laundry room with upper cabinetry, utility sink, and pedestal washer and dryer. A second bedroom or office completes the main floor. The fully developed walkout basement offers a large family room with a corner gas fireplace and wet bar, two additional bedrooms, a full bathroom, and an exceptional storage room. Step outside to enjoy the covered vinyl deck with glass railings, stairs to grade, and a natural gas BBQ hookup, or relax on the covered walkout patio with space for a hot tub. The beautifully landscaped yard features low-maintenance concrete and interlocking brick xeriscaping, while concrete side steps provide easy yard access. A standout feature is the impressive 34-foot concrete RV parking pad, providing secure space for your RV, boat, or trailer. The front yard is equally

impressive with underground sprinklers, a mature tree, and interlocking brick accents that create outstanding curb appeal. Beautifully maintained inside and out, this exceptional walkout bungalow offers the perfect combination of pond-front living, functional design, abundant storage, and one of Copperwood's most desirable locations. A rare opportunity to enjoy a home that's as beautiful as its surroundings.
