This beautifully maintained, fully developed two-storey home offers 1,421 sq. ft. of living space on a large lot with incredible outdoor amenities. From the moment you arrive, you'll appreciate the massive covered front veranda, large front parking pad, heated and fully developed detached garage, storage shed, and additional rear parking. The backyard is perfect for families, complete with a dream treehouse for the kids. Inside, the main floor features a bright and functional layout with a spacious living room, dining area, and kitchen, all accented by beautiful bamboo flooring. A convenient half bathroom and main floor laundry complete this level. Upstairs, you'll find three bedrooms, including a spacious primary with an impressive steam shower. The fully finished basement is made for entertaining with a theatre room, wet bar, three-piece bathroom, and a versatile flex room that could be used as an office, gym, or hobby space. Additional features include a covered maintenance-free deck with a gas line for your BBQ, under-deck storage, central vacuum, heated garage, and all appliances, window coverings, storage shed, and treehouse are included.
