The kitchen has been beautifully updated with quality hickory cabinets, a silgranit undermount sink with garburator, ceramic tile flooring, added pantry storage, and plenty of workspace for everyday living. Upstairs you'll find two generous bedrooms and a beautifully updated full bathroom. The lower level offers even more living space with a large family room, a third bedroom, a second full bathroom, a spacious laundry room, and plenty of storage. Outside, the deck overlooks the backyard, making it a great place to relax or entertain. The detached garage provides additional parking and storage, and is fully insulated and ideal for year-round use, while central air conditioning keeps the home comfortable throughout the summer months. Additional upgrades include hot water on demand, an updated furnace, and a roof that was replaced in 2014.
