What a great place to start before the school year starts. 4 bedroom, 3 bathroom bilevel located between schools K to 12. Well cared for with some very recent updates allow you to come in and enjoy. With a bright open floor plan, vaulted ceiling and light bar above the kitchen island, this home feels much larger than the 1058 sq ft upstairs it is. Add in a fully finished basement, new carpets down, central air, large rear deck to a private yard, new shingles, all tucked away in a Blackfoot Court location...this is one GREAT place to call home.
