Good size 3 bedroom, 3 bathroom bi-level in Mountain Heights tucked away on a cul-de-sac with a large backyard to roam and play! Welcoming entry with door to attached double garage. Four steps up to the main floor that features laminate flooring throughout. Main living room has big windows for plenty of natural light. Kitchen is a good size with full appliance package. Dining room has door to partially covered deck out back. Main floor also has 3 bedrooms including primary with full ensuite. A second full bathroom completes the main. Basement is fully developed with new vinyl plank flooring. There is a large family room that features a gas fireplace. There is also a large rec/games room that could be made into a 4th bedroom with one wall. The basement also has an office/nook area and another full bathroom. Utility room houses the laundry. Yard is HUGE and fenced and features a patio and boardwalk deck. Plenty of space for the whole family!
