This stunning Stranville-built two-story is a must-see! If you're after a meticulously maintained family home that has just about everything you could want, this is it. The beautiful, well-designed kitchen boasts a huge island with quartz countertops, plenty of large pot drawers, soft-close cabinetry, a corner pantry, and built-in microwave and wall oven. Upstairs features three spacious bedrooms, a laundry area, and a bonus room perfect for the kids. The fully developed basement, completed with permits, offers a large family room, an extra bedroom, and a 4-piece bathroom. Outside, you'll love the prime location—just a short walk to the playground, brand-new elementary school, walking trails, and ponds. With a walking path next door, you'll enjoy added privacy from your northern neighbor. This move-in-ready home is waiting for its next family to cherish it as much as the current owners do!
