Upstairs offers an open, functional layout connecting the kitchen, dining, and living areas, along with 3 bedrooms and a full bath. The home currently features shared laundry, but plumbing hookups are already in place to easily add a separate stacked washer and dryer downstairs. Parking is abundant with a driveway, carport, and two additional spots in the rear. The single attached heated garage is currently divided into two sections, but removing the divider wall allows for tandem parking for two vehicles. Outside, enjoy a patio within a fully fenced yard. Situated on 17th Avenue with little through traffic, you'll enjoy quiet living with quick access to 16th Avenue and Scenic Drive.
