Welcome to 221 Lasalle Terrace... Step inside and notice the airy high ceilings, spacious open concept floor plan featuring the living, dining and kitchen as the heart of this home. The kitchen includes SS appliances, a large stone top island, floor to ceiling cabinets. The tasteful splash of dark wood ceiling beams gives a visual divide between the living and dining room. The primary suite is nestled at the back of the main floor which includes walk-in closet, free standing shower, and stone top vanity. This home also comes with two additional bedrooms and 4pc bathroom on the second level. The fully developed basement adds a family room, new 4pc bathroom and well-sized fourth bedroom.
