Step into the character and charm of this wonderfully updated 1910 bungalow, offering approximately 1,180 square feet of comfortable main-floor living in a quiet North-side neighborhood. The main floor features two bedrooms, and 4-piece bathroom including a spacious primary bedroom with a walk-in closet. The inviting living room offers an electric fireplace, creating a cozy space to relax and unwind. The bright kitchen features a large island, stainless steel appliances, and a cozy dining area. Double doors off the kitchen open onto a wrap-around deck—perfect for morning coffee, entertaining, or enjoying the outdoors. The fully developed basement adds valuable living space with a third bedroom, 3-piece bathroom, and comfortable family room with direct access to the backyard through the walk-up basement. There is also plenty of additional storage space throughout. Outside, enjoy the fully fenced and landscaped backyard, complete with four exterior cameras. A detached heated garage, built just three years ago, provides excellent functionality with built-in shelving, a small office space, and its own electrical panel. Additional features include a newer furnace and central air conditioning. Full of character, functionality, and thoughtful updates, this charming bungalow offers comfortable living both inside and out, with the added convenience of a newer heated garage—all in a peaceful North-side location.
