Welcome to 338 Silkstone Cove West, a 5-bedroom, 3-bathroom bi-level tucked into a quiet Copperwood cul-de-sac with a backyard that makes staying home feel like the best plan. With over 1,100 sq. ft. above grade, this home offers a bright main level with vaulted ceilings, a spacious living area and a kitchen with plenty of natural light. Downstairs, the newly renovated basement adds even more living space with a wet bar, fireplace and room to gather, relax or entertain. Outside is where this property really stands out. The pie-shaped lot creates a large, fully fenced backyard with plenty of lawn, underground sprinklers, garden space, a fire pit area, patio and deck — whether it's summer BBQs, kids playing outside or evenings around the fire, there's room for it here. With 5 bedrooms, 3 full bathrooms, central air conditioning, an attached garage and schools and shopping nearby, this is the kind of Copperwood home that gives a growing family room for what comes next — or a family relocating to Lethbridge a place to truly feel at home.
