Discover a thoughtfully designed haven within Blackwolf 2, Lethbridge's sought-after north side community, where modern living meets serene surroundings. This newly constructed two-storey house, boasting 1312 square feet above grade and 559 below offers a seamless blend of comfort and functionality. Inside, vinyl plank flooring flows throughout, complemented by carpeted bedrooms and ceramic tile accents. Quartz countertops elevate the kitchen's style including a convenient kitchen island and pantry. Enjoy the luxury of new Samsung Appliances, ensuring effortless cooking and entertaining for years to come. A Culligan water softener and reverse osmosis water filtration are included in the sale for a premium water quality experience. Upstairs, three bedrooms provide restful retreats, including a primary suite featuring a walk-in closet and ensuite with a soaking tub. Below grade, an unfinished full basement provides potential for future expansion or a recreational area. Moving to the backyard a blank canvas is ready for your ideas. A 30x15 foot poured reinforced concrete pad with electrical service is ready for a second garage or studio. While outside, you'll find a fully landscaped yard with a 34x12 foot poured, reinforced concrete patio, a 9'x9' deck with black aluminum railing, and a fenced dog run, creating a secure space for your beloved pets. Premium programmable exterior LED lighting adds a premium feel to your outside adventures. This home includes a certified new home warranty giving you peace of mind for the future. Nearby community amenities include legacy park, multiple lakes, playgrounds, and schools. Don't wait on this beautiful home, book a showing with your favorite real estate agent today!
