Large windows bring in an abundance of natural light, while the open connection between the living area and kitchen makes the main living space feel bright and welcoming. The kitchen offers plenty of functionality with updated cabinetry, a central island for additional prep space and seating, stainless steel appliances, and easy access to the main living areas. The home also features a newly updated bathroom, adding a fresh and modern touch to the otherwise warm, rustic character throughout. All three bedrooms are generously sized, with plenty of room for furniture, storage, or flexible use as a home office, guest room, or hobby space. A spacious laundry area adds even more everyday convenience. Outside, the oversized yard provides tons of room for kids, pets, gardening, entertaining, or future ideas, while the abundance of parking is ideal for multiple vehicles, trailers, or recreational toys. The detached single garage adds additional storage and protection from the elements.
